*Raised in Monterey, California and Aotearoa New Zealand, one could say that the McBride Sisters' path to sisterhood and winemaking was destiny at work. Newly found sisters, Robin McBride and Andréa McBride John, were raised across the world from one another. Their love affair with wine was planted within them from an early age while growing up in two of the world's most iconic wine growing regions — Monterey, California and Marlborough, Aotearoa New Zealand. In 2005, the Sisters found themselves together in California, fueled by a shared passion for all things wine, winemaking and a desire to shake up the industry with a blend of Old World elegance and New World finesse. It was then that the McBride Sisters Wine Company was born. **Since then, the McBride Sisters' mission has become clear—to continue to transform the industry, lead by example and cultivate community.***

One delicious glass at a time.
