

## McBride Sisters Collection Chardonnay, Central Coast, California 2020

Pale sunny yellow in color and flavor. **Lemon zest and green apple mix with pineapple and a toasty, custardy grace note.** Hints of flint and wet rock add to the wine's complexity, while the crisp yet creamy palate shows tart nectarine, light tropical fruits. On the finish, the wine is fresh and pithy with lingering fruit flavors. Perfect with grilled halibut or sea bass, or chicken cutlets in creamy Dijon mustard sauce.

The McBride Sisters Collection is where Old World winemaking ethos meets New World regions and style, defined by our signature style of aromatics, balance and elegance. Together this creates a new, multicultural tradition for today's epicurean. **Shaped by culture, inspired by cuisine and limitless by design, this is today's taste.**

### *where will wine take you?*

*Raised in Monterey, California and Aotearoa New Zealand, one could say that the McBride Sisters' path to sisterhood and winemaking was destiny at work.* Newly found sisters, Robin McBride and Andréa McBride John, were raised across the world from one another. Their love affair with wine was planted within them from an early age while growing up in two of the world's most iconic wine growing regions — Monterey, California and Marlborough, Aotearoa New Zealand. In 2005, the Sisters found themselves together in California, fueled by a shared passion for all things wine, winemaking and a desire to shake up the industry with a blend of Old World elegance and New World finesse. It was then that the McBride Sisters Wine Company was born. **Since then, the McBride Sisters' mission has become clear—to continue to transform the industry, lead by example and cultivate community.**

**One delicious glass at a time.**
