

McBride Sisters Collection

Sparkling Brut Rosé, Hawke's Bay, New Zealand

Hawke's Bay is one of the most prestigious fine wine regions in New Zealand and the source for our delicious non-vintage Sparkling Brut Rosé. This bubbly wine greets you with gentle floral notes of rose petals, strawberries and cream, and loads of freshly crushed red berries. The red fruits carry through the palate, where cranberry, peach, strawberry and raspberry take center stage. There is a hint of toasty complexity and some creamy richness from time on lees that leads into a dry finish with lingering hints of spice. Pairs beautifully with everything from chips and queso seafood to fried chicken.

With no winemaking legacy to stand on, we set out guided by one set of principles – to make our own wine traditions, and place women, culture, cuisine, taste and lifestyle at the center of a wine experience. Selecting oceanic grapes from Aotearoa New Zealand and the Central Coast of California, where each Sister grew up, McBride Sisters Collection offers a delicious range of wines with maximum freshness, flavor and elegance, to enhance any food, mood and occasion.

WHERE WILL WINE TAKE YOU?

Robin McBride and Andréa McBride John were raised across the globe from one another in two of the world's most iconic wine growing, agriculture and farming regions – Monterey, California and Aotearoa New Zealand. Each thought they were only children until fate united them in 1999 and their discovery of one another, along with a shared love affair with wine, food and culture, sparked a creative and entrepreneurial force.

Since 2005, the McBride Sisters have been leading wine & food culture through their award-winning, multinational wine company and innovative wine lifestyle content. Together, the McBride Sisters' vision is to bring taste and optimism to the world through drinks, food, culture and business, and their sights have no limits. As expert winemakers, entrepreneurs, mothers, mentors and visionaries breaking down barriers in the wine industry and beyond, Robin & Andréa are proof that **everything is possible.**
