

McBride Sisters Collection

Pinot Noir, Central Coast, California 2022

Delicately extracted and delightfully elegant, this wine shows a fresh ruby color and plenty of bright red cherry and crushed raspberry aromas. In the glass, it develops plum, spice, and a soft hint of oak to compliment the primary red fruits. On the palate, light to medium tannins and firm acidity form a backbone to the lush and vivid flavors. The finish lingers with tons of complexity and length. A perfect everyday pairing for roast chicken or grilled salmon.

With no winemaking legacy to stand on, we set out guided by one set of principles – to make our own wine traditions, and place women, culture, cuisine, taste and lifestyle at the center of a wine experience. Selecting oceanic grapes from Aotearoa New Zealand and the Central Coast of California, where each Sister grew up, McBride Sisters Collection offers a delicious range of wines with maximum freshness, flavor and elegance, to enhance any food, mood and occasion.

WHERE WILL WINE TAKE YOU?

Robin McBride and Andréa McBride John were raised across the globe from one another in two of the world's most iconic wine growing, agriculture and farming regions – Monterey, California and Aotearoa New Zealand. Each thought they were only children until fate united them in 1999 and their discovery of one another, along with a shared love affair with wine, food and culture, sparked a creative and entrepreneurial force.

Since 2005, the McBride Sisters have been leading wine & food culture through their award-winning, multinational wine company and innovative wine lifestyle content. Together, the McBride Sisters' vision is to bring taste and optimism to the world through drinks, food, culture and business, and their sights have no limits. As expert winemakers, entrepreneurs, mothers, mentors and visionaries breaking down barriers in the wine industry and beyond, Robin & Andréa are proof that **everything is possible.**
