Robin McBride and Andréa McBride John were raised across the globe from one another in two of the world's most iconic wine growing, agriculture and farming regions – Monterey, California and Aotearoa New Zealand. Each thought they were only children until fate united them in 1999 and their discovery of one another, along with a shared love affair with wine, food and culture, sparked a creative and entrepreneurial force.

Since 2005, the McBride Sisters have been leading wine & food culture through their award-winning, multinational wine company and innovative wine lifestyle content. Together, the McBride Sisters' vision is to bring taste and optimism to the world through drinks, food, culture and business, and their sights have no limits. As expert winemakers, entrepreneurs, mothers, mentors and visionaries breaking down barriers in the wine industry and beyond, Robin & Andréa are proof that *everything is possible.*
